Dear Abu,

On behalf of the staff of Doctors Without Borders/Médecins Sans Frontières (MSF), I want to thank you for your generous gift of \$5,000.00 received on June 12, 2017. As you requested, the funds have been earmarked for Syria and Syrian population.

Your contribution helps ensure that our patients receive the care they so urgently need, no matter their circumstances. In the last few months alone, support from caring donors like you has helped us respond to a range of emergencies in more than 60 countries, including:

- **Massive Malnutrition Crisis in Northeastern Nigeria:** Hundreds of thousands of people fleeing conflict between Boko Haram and the military have been cut off from food and medical care. We have treated more than 144,000 people so far, including more than 12,500 malnourished children.
- **War in Syria:** Amidst ongoing fighting, our teams are providing vital reinforcement to the area's medical system, running six facilities across northern Syria and supporting more than 100 health centers and hospitals.
- **Humanitarian Emergency in Yemen:** In response to deadly conflict that has turned the capital city into a war zone, our teams are providing specialized treatment for the wounded as well as ongoing maternal and pediatric health care.

Our critical work to deliver emergency care to people caught in these crises wouldn't be possible without your generous support. Thank you so much for joining us in our important lifesaving mission.

Sincerely,

Jason Cone

Dear Br. Sharifuzzaman,

Assalamu Alaikum Wa Rahmatullahi Wa Barakatuhu.

On behalf of NABIC, we thank you, your friends and families for taking the lead and contributing \$10,000 (Ten Thousand dollar) for our Rohingya brothers and sisters who sought refuge to survive in Bangladesh since August, 2017.

NABIC is providing food, clean water, clothes, and shelter to them through our NGO partner in Bangladesh.

More help is needed for medical care, basic and livelihood education of the stranded Rohingyas.

Your efforts will Insha Allah go a long way to mitigate sufferings and save lives.

We look forward to your continued support for this noble cause.

Please convey our regards and gratitude to all the brothers and sisters who worked with you in this project.

May Allah (SWT) guide and bless us all.
